COMING TOGETHER!**

New Playground at Peterson Park

Vernon Township is excited to unveil a brand-new playground at **William E. Peterson Park**, replacing the cherished 20-year-old structure that had reached the end of its lifespan. Thanks to a grant, the Township was able to deliver a high-quality, modern play area while keeping costs down. The new playground is thoughtfully designed to bring families together, foster connections among parents, and provide a vibrant, inclusive space where children of all physical abilities can play, explore, and thrive. Stay tuned to Township communications for updates and announcements about the playground's official opening. Vernon Township looks forward to celebrating this exciting milestone with the community!
